

JOB DESCRIPTION

ROLE: Software Engineer
LOCATION: London

SALARY: £80K

ABOUT US_

At Talon, we provide our clients with world class service, technology, and collaboration to create exceptional OOH campaigns that deliver measurable results.

In our first 10 years, our desire to offer intelligent, creative, technology-led OOH solutions and a full-service OOH offering saw us grow into a team of over 230 people located in key cities across the globe.

We're passionate about OOH and are on a mission to drive the growth of this sector within the media industry - changing perceptions of it as a legacy medium to one that is highly effective, creative, sustainable, and measurable for our clients.

OUR VALUES AND HOW WE WORK TOGETHER_

WE ARE BOLD_	WE ARE HUMAN_	WE ARE SMART_
As industry provocateurs and pioneers, we respectfully challenge the status quo, take pride in our people, big ideas and partnerships	We are a diverse collective of changemakers who value respect, fairness, and integrity and expect the same in return	Our trailblazing spirit and learning centric culture ensures our knowledge provides maximum value to each other and our clients
